Dear Parents,

It was lovely to see the children back into their routines and learning so quickly after the summer break. They have been keen to tell me all about their summer holidays as well as being excited for the year ahead.

We have already started putting important dates in the diary that we will share with you including our Harvest celebrations at St Luke's church, Parents evening and most importantly the Halloween Disco. This week the whole school will vote for the Head boy and Head girl. The Y6 children will present their speeches on Wednesday this week and then the winners will be announced on Friday. The children who are not successful will be given the opportunity of other leadership roles in school including house captains and school council representatives.

We are holding our volunteer reader coffee morning on Wednesday morning in school. If you would like to volunteer in school, please come and join us. If you can't make the coffee morning and would like to volunteer in school, please feel free to contact the school.

As you know, we have changed catering suppliers. I know the children are enjoying the new lunches and the meals have definitely improved. We continue to work closely with the company to make sure there is enough choice for all the children and that they get enough time to eat their lunch. We are keeping the children informed on this too so they are happy with the new changes at lunch time.

Thank you for your continued support.

Yours sincerely,

Hannah Young
Headteacher
