11th July 2024

Dear Parents,

Transition week will take place next week. This is where your child will move up to their next class and spend the week getting used to being in their new year group. Your child will have their last day with their current teacher on **Friday 12th July** and the following Monday (15th July) they will move to their new classroom and be taught by their new teacher.

The children should line up each morning outside their new entrances to school. **Years 1, 2 and 3** using the **KS1 door**, **Years 4, 5, and 6** using the **KS2 door** (up the ramp) and LF/UF the EYFS door. The children should be collected from that same door. Year 7 (this what we call the current Y6 class during transition) children will enter through the current entrance and be taught in the hall or the cookery suite. Please use the current timings of your child's class for transition week (for example, Year 1 moving to Year 2 will continue to use their current start and finish time). For children moving from lower foundation to upper foundation, their hours will stay the same.

The start and finish times for September will be emailed out next week.

We are very much looking forward to welcoming our new classes into their new classrooms and hope that this will ease any anxieties the children have about the changes ready for when they return in September.

Yours sincerely,

Mrs Hannah Young
Headteacher
