12th June 2024

Dear Parents and Carers,

As a part of your child's education at Middlestown Primary Academy, we promote personal wellbeing and development through a comprehensive Personal, Social, Health and Economic (PSHE) education programme. PSHE education is a statutory curriculum subject that gives children the knowledge, understanding, attitudes and practical skills to live safe, healthy, productive lives and meet their full potential.

Working closely with the school nurses, I write to let you know that this half term, Year 6 will be taking part in lessons which will focus on the relationships and sex education (RSE) aspect of this programme. This will include learning about healthy relationships, growing and changing (puberty and how the process of puberty relates to human reproduction, personal hygiene, changing feelings) and about the processes of reproduction and birth as part of the human life cycle.

For the majority of the sessions, the children will initially be taught as a whole class but may be spilt into boys and girls on occasions so that they have the opportunity to ask questions. If you have any queries regarding these lesson, please don't hesitate to contact the office at admin@middlestown.accordmat.org, who will then pass your queries onto myself.

Yours Sincerely
C Z Rooke
Miss Rooke
